1. Hallelujah! the Lord is here!
Your saving promises our spirits cheer.
Hallelujah! we sing your praise!
Your word will be our guide through all our days.
 Lord, forgive us the wrongs we do -
 Cleanse and fill us and make us new.
So we praise you, the Lord of all!
Our daily Lord, before you now we fall!

2. Welcome, brother! I'm glad you're here -
God loves you, and to see you brings me cheer.
Welcome, sister! So glad you came,
As here we gather in the Saviour's name.
 Look, I'm sorry where I've been wrong -
 Please forgive me the hurt I've done.
So, together, let's join our voice!
Belonging in his family, rejoice!

3. Lord, we praise you! We see your power
In distant galaxy and tiny flower!
Lord, we praise you! We know your care -
Your love surrounds us daily everywhere!
 But, in Jesus, you came to find
 And to rescue your wandering child.
Hallelujah! We praise your name
And live each day within your kingly claim!
